Summer is FINALLY here and by now we hope you've been out to the course, swam in the pool and gotten back into the literal and figurative swing of things!

We're heading into another packed month with lots of events and outings! Member/Guest is coming up next weekend, so keep that in mind when planning your golf for the week.

Thursday, July 11th we'll have regular tee times until 11:00 am and again after 2:00 pm.

Friday, July 12th the course is closed completely

Saturday, July 13th there will be a member shotgun at 7:30.

Our Nine and Dine date nights have been a blast and we look forward to continuing our "Nine and Dine Around the World" theme with a different culinary experience each week! Get signed up today for July 19th as we sample different regions of Asian cuisine. Then on July 26th we'll head to Nawlin's for an authentic Shrimp boil!

Finally, many of you will be happy to know we have a current member listing with contact information under the members tab on our website. This is a work in progress, if you notice something outdated or would like information redacted please let me know and I'll get it fixed ASAP!

Pro Shop Update

Please be aware, July is packed full of events and things going on at the course. Be sure to check the calendar of events. You can do this on the Website, the App or on the Calendar in the Cafe'. Additionally, there are no Monday outings in July. Tee Times begin at 12:00pm on Mondays.

Calling all Junior Golfers or those who want to be Junior Golfers. Arrowhead's Junior Clinic will kick off starting Wednesday, July 17th, led by PGA Professional, Chad Robbins. The Clinic will go from 8:00am - 10:00am. Ages 6 - 13. Dates: July 17th, 24th, 31st, and Tuesday August 6th. Cost: \$85.00. Looking to get your kids started in the game of golf, or build on the skills already learned. The Junior Clinic is a great place to learn the game for all skill levels.

Is there rust building on your set of clubs and the grooves worn down? July 11th will be a great day to get custom fitted and try out the latest and greatest from Callaway. From 10:00am - 2:00pm, you will be able to receive expert club fitting and product knowledge from a Callaway "Master" Club Fitter. Stop by the Driving Range on Thursday July 11th between 10:00am - 2:00pm.
